

YOU SHOULD WORRY

About these nipping and crisp mornings without one of our Mackinaw Coats. To be without a Mackinaw Coat this season will be like running a grocery store without sugar. It is not only a fad, but an absolute necessity, because they are more serviceable than any other garment. We also have an excellent line of Men's, Boys' and Misses' Sweaters.

Ladies and Gents!

Boiled, muddy shoes? That's where you lose! Appearances will tell.

Here in this chair, I'll put a glare upon them: Something swell! I'll also fix those yellow "kicks," and make them black as night. No acid used, no shoes abused—with black I treat you white. Each pair I shine is right in line with patent leathers, par! Selected stock that none can "knock." That's all. Don't lose a shiner!

THE KELLOGG-HAINES SINGING PARTY.

There are five in the Kellogg-Haines Singing Party—three gentlemen and two ladies. Much of their program is given in elegant and appropriate costumes. Some of these numbers are the

best examples of humor and wit that good literature has to offer. Scenes are also given in grand opera.

The chief claim that is made for this company is that they present entertaining variety of such solid musical character and fresh wholesomeness that they are sure to appreciate the musical layman, while winning admiration from the musicophile of the severest type.

It is declared that other noted quartet in America can approach the Kellogg-Haines Party in that striking of individuality and perfect blending of voices that secure ideal vocal work. It is heard in the shelter of the furthest music quarters.

Professor Charles A. Grossman, superintendent of the New Albany (Ind.) Chorus, says: "The Kellogg-Haines Singing Party have given the greatest satisfaction of all the musical ensembles that have appeared at our assembly in the last four years."

The Family Cough Medicine.

In every home there should be a bottle of Dr. King's New Discovery, ready for immediate use when any member of the family contracts a cold or cough. Prompt use will stop the spread of sickness. S. A. Stid of Mason, Mich., writes: "My whole family depends upon Dr. King's New Discovery as the best cough and cold medicine in the world. Two 50c bottles cured me of pneumonia." Thousands of other families have been equally benefited and depend entirely upon Dr. King's New Discovery to cure their coughs, colds, throat and lung troubles. Every dose helps. Price 50 cents and \$1.00. All druggists. H. E. Buckle & Co., Philadelphia or St. Louis.—Adv.

DECLARES MARTIAL LAW IN COLORADO

GOV. AMMONS CALLS OUT MILITIA IN COAL STRIKE ZONE.

May Ask For United States Regulars—Will Not Hesitate If Power of State Is Insufficient to Cope With the Situation.

DENVER, Oct. 28.—While the ordering of state troops into the Southern Colorado fields followed the failure of Governor Ammons' efforts to arrange a settlement, an additional reason for this action was found in the list of casualties and property damage that have marked the 25 days of the strike.

These strike incidents were summarized today as follows:
Battles and skirmishes, 18.
Killed, 25.
Wounded and injured, 41.
Personal assaults, 6.
Buildings and bridges wrecked or damaged by dynamite, 11.
Property loss (estimated) \$50,000.
Loss in wages (estimated) \$2,500,000.

A threat to call upon the United States for regular troops to help to keep order in the coal strike zone is contained in a statement issued today by Gov. E. M. Ammons. The governor asserts that he declared martial law and called out the Colorado national guard only exhausting every means of peaceful settlement. He outlines the program for forcible disarmament of both factions, and adds:

"This program will be carried out if it takes every militiaman in the state and even if it should become necessary for me to call upon the federal government for assistance."

BIDS FOR LIBRARY.

In this week's Advocate the city council is asking for bids for the construction of the projected Carnegie library for Price. Bids will be opened at the regular meeting of the council on the 18th of November and specifications for the structure may be obtained from Recorder Lauber. It is first necessary to secure these bids and have the contractor sign a surety bond for the completion of the work before the \$10,000 donation from the Carnegie corporation is available.

A LOVELY FACE—

BUT UGLY HAIR

How often you see an otherwise lovely face spotted by homely hair—a face that would be most charmingly beautiful if she only had prettier hair. What a pity!—and how foolish! Because that ugly hair, stringy, dull, lifeless looking though it may be, can be made as glossy, soft, silky and beautiful as the best could desire if properly taken care of.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—it is just a dainty, rose perfumed liquid dressing to give the hair its natural gloss and brightness, its natural wavy softness, its natural rich beauty. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00; Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7000 leading drug stores of the United States and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and toilet preparations are made.—Joe H. Roberts, City Drug Store, Price, Utah.—Adv.

Indian Veterans' Relief.

J. M. Westwood has made out 300 checks to be distributed among the Indian war veterans from the last \$50,000 legislative appropriation for their relief. Mr. Westwood estimates that there are 2300 veterans and widows of veterans entitled to this relief, about one-third being women.

PRACTICAL COURSES

At the
AGRICULTURAL COLLEGE

The Agricultural College
Main Building, Logan,
Utah, Home of Practical
Education.

The College has re-grouped its practical courses to meet the needs of the thousands who do not wish to take regular high school work.

Any person over 18 years of age (or any person under 18 years who has completed two years of high school work) may enter these practical courses without examination.

THE FUNDAMENTALS OF the various departments of Agriculture, Home Economics, Agricultural Engineering, Commerce, and Mechanic Arts are taught, sufficient to equip a person for success in his work. Certificates of graduation are given.

The courses of the College leading to the degree of Bachelor of Science are broad and liberal. They require high school preparation. A letter addressed to The President, The Agricultural College, Logan, Utah, will be always welcome from every interested person. EYRELL HALL AND WOMAN IN THE REPUBLIC HAS A BIRTHRIGHT OF EDUCATION.
